June 2011

Dear Mother of Divine Grace School Community,

As the end of the 2010-2011 school year is quickly coming to a close I would like to inform you of several exciting changes that are in store for everyone during the 2011-2012 school year. The staff of Mother of Divine Grace School has been working closely with the University of Pennsylvania this year in an educational leadership program called Distributive Leadership. This program has allowed the staff of Mother of Divine Grace School to look more closely at our educational and leadership practices. During our training we have learned many new and innovative educational and leadership practices we feel will make Mother of Divine Grace School an even better school. These practices will promote academic success for the students and professional growth for the staff.

We will be losing one individual who will be missed very much. Mr. Paluszek has accepted another position else where. Mr. Paluszek will be greatly missed, but we will all remember him and wish him the best. We have teachers within our walls that have changed teaching assignments to grow professionally for the new year. Miss Gorman will move from 1st grade to 4th grade. We welcome Miss Cosmo as our 1st grade teacher. Mrs. Boice will move from Kindergarten to 2nd grade and Mrs. Cannizzaro will move from 2nd grade to Kindergarten. Also, Mr. Kahmar will move from 4th grade to 7th grade. All of the new moves will help contribute to student achievement.

I hope that these changes will help add excitement to the new school year. Please feel free to e-mail me at jelockhart@motherdivinegrace.com or call the office if you have any questions or concerns. I know that your commitment to our wonderful staff and the support that all of you as parents provide will help to make this up coming year very successful.

Have a wonderful summer break, and I look forward to seeing the students September 7th ready for another great year.

Sincerely,
Jane Ellen Lockhart
Mrs. Jane Ellen Lockhart
