

REQUEST FOR CONTACT INFORMATION

THINK GREEN.

Welcome to MDG school year 2011-2012. We are live and active on the internet. Our web address is www.motherdivinegrace.com. There is a link to Home and School. Please visit it often for the latest information.

If you have access to the internet and an email address, please take a few minutes to fully and clearly complete the information below in order to receive news from Home & School electronically. Please return the completed form to school in an envelope addressed to Patty Peterman. If you do not have an email address, please indicate that. (Even if you completed this form last year, we ask that you please complete one for this year.) We will continue to send home information but not as frequently as we've done in the past.

Thank you.
