

A NOTE FROM

Mother of Divine Grace Home & School Board

Dear Parents and Guardians of MDG School Students:

We know that for many years now we have hosted the “Secret Santa Workshop” event for the children during the Christmas season. This year our event was scheduled for Thursday and Friday, December 15th and 16th. After much discussion, the board has decided to cancel the event this year. The items that are offered to the students by the vendor continue to be of poor quality and the merchandise, we feel, is cut-rate.

We know that the children enjoyed being able to come to school and shop for Christmas presents for their families, and we enjoyed being able to host this for the students. We will be working on a plan to offer a similar event, but with more quality items in the future.

Thank you for your understanding and support.

Sincerely,

MDG Home & School Board
